About Us

Clarington Library
Museums & Archives

Welcome from the CEO

After what seems like an especially long winter, spring is in the air!

This time of year always brings a fresh energy

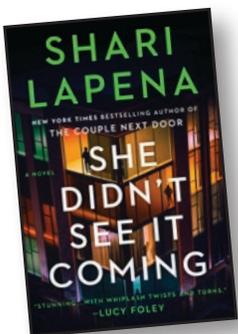

to CLMA. The days are getting longer, people are getting out and about again, and it's a great time to stop in.

Spring is a reminder of how much our community grows when we come together. From familiar faces dropping by to new visitors discovering what we have to offer, CLMA is where stories, ideas, and connections take root. It's also the perfect season for programs that help us grow in other ways, too. Our Seed Library is back, along with gardening programs and wellness workshops that invite you to learn something new, share ideas, and spend time connecting with neighbours along the way.

We're looking forward to a lively season ahead and hope you'll stop by to be part of it!

Warmly,

Monika Machacek
Chief Executive Officer
Clarington Library, Museums & Archives

What I'm Reading

"She Didn't See It Coming" by Shari Lapena, a twisty suspense novel that pulls you into the secrets and tensions simmering beneath seemingly ordinary lives. I was inspired to pick it up after Shari's recent author visit to CLMA

in October. So far, it's a gripping reminder that the smallest choices, and the things we overlook, can lead to the biggest consequences.
